Château Lafaurie-Peyraguey 1e Grand Cru Classé Sauternes 2019 Gold Edition

Sauternes - Frankrijk

"Since vintage 2016, the property unveils a limited series with the « Femme et Raisins » engraving by René Lalique (1928) decorated with gold?

The empty bottles are sent to the LALIQUE factory in Alsace to be gilded, then returned to the Chateau for bottling in June of each year. This collaboration between

LALIQUE and Château Lafaurie Peyraguey boasts a pairing of expertise and French savoir vivre, a fusion of Sauternes gold and Alsace excellence."

Proefnotitie

"They are doing such a great job at this estate, and this is an absolutely delicious wine. It is just dripping
with apricot, nectarine, white truffle and ginger, with a zing of lemon zest taking things up a notch
through the finish. Fleshy yet flinty, silky texture, brilliant. Will age for decades too
DECANTER, Jane Anson
