Teeling Renaissance Series 4

- Ierland

Following the success and acclaim of the Renaissance Series, Teeling has released the much anticipated Renaissance Series 4 at last! The Renaissance Series offers the very best Teeling has to offer and this release is no exception! For this expression, Teeling has matured in ex-bourbon barrels before receiving an extra maturation in ex-Pineau des Charentes casks which imparts flavours of mouth-watering pressed grapes, candied fruit, and pineapple character to the whiskey. Incredible stuff all around!
